Advocates for our rivers

## It's ~~Tax~~ Giving Season!

### Yes! I want to allocate funds from my Colorado State Income Tax Refund to a nonprofit!

---

Last year, Colorado returned more than \$1 billion in refunds to 1.9 million state taxpayers. Imagine how much this could support local community causes like Eagle River Watershed Council. If you're due a state income tax refund, this program gives you the opportunity to use some or all of it to directly support a nonprofit that matters to you.

Because our important work is never done, we're continually in need of new funds to revitalize our organization and continue to educate about, monitor, protect, and advocate for the rivers and streams of our watershed.

We have created this worksheet for you to complete and turn in to your tax preparer with your tax paperwork.

1. I want to donate \$ \_\_\_\_\_ of my state income tax refund.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

2. I want to designate those funds to **Eagle River Watershed Council**, registration **#20073006621**. This information is entered in the "Donate to a Colorado Nonprofit Fund" line on my state income tax return or tax software. I can learn more about the ReFUND program at [RefundWhatMatters.org](http://RefundWhatMatters.org).

*On behalf of the rivers and streams of our watershed, as well as those downstream of us, thank you for your support.*
