

Outreach & Education Sponsorship Opportunity:

## 2024 Wild & Scenic Film Festival

This annual film festival is a not-to-be-missed evening of inspiring films, a fantastic silent auction, the chance for participants to make their guesses for the Peak Flow Prediction Contest, and celebrates conservation. The event sold out in 2023, and is expected to have an even larger impact in 2024.

Event date: April 18, 2024
